STAT

C/EUR

GACarver, Jr.

Attached are three copies of a 6 May memorandum entitled, "Hanoi's Negotiating Position and Concept of Negotiations." This was a joint effort participated in by this office, STAD/OCI, ONE and  The Director gave it to the President on 6 May as the Agency's present considered judgment on the matters it treats. I will, of course, ensure that you receive copies of any further studies on this general topic.

George A. Carver, Jr.
Special Assistant for Vietnamese Affairs
